## FED UP FOODS

### Applesauce and Pickled Beets

Out of Stevens Point - Fed Up Foods is committed to sourcing Wisconsin produce and unique flavor combinations. Their products will awaken your taste buds and open your mind to the possibilities of local food. They bring a fresh taste to the timeless art and skill of food preservation. They create clean, delicious, whole food products with unique flavor combinations. They work with local and regional farms, employees, vendors, and customers. ## PURPLE THUMB LAVENDER & HERBS

### Bath, Body, and Gourmet Food Products

A family farm located in Onalaska, Wisconsin. They handcraft lavender bath, body, and gourmet food products. They wanted to honor the hard work that their dad put into making the family farm a place to enjoy God's creation while providing for their family. Lavender is one of the most versatile crops there is... it's gorgeous, for one, but it also has amazing abilities to soothe and relax both your body and your soul. And, its culinary usage makes it a great choice in the kitchen as well! [purplethumblavender.com](http://purplethumblavender.com)

## WONDER MONDAY

### Variety Pack Low Carb Cheesecakes

Big-time flavor, sweet

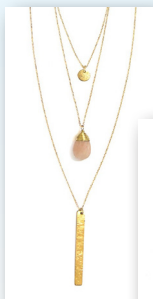

nutrition! They're on a mission to make feel-awesome food that tastes too good to be true. Try all their most popular flavors: classic, key lime, strawberry, and chocolate. They've reimaged your favorite cheesecake flavors with just 3g net carbs, zero grains or gluten, and nothing artificial. Hand-crafted in small batches, these cheesecakes taste too good to be true! ## FAIR ANITA

### Fair Trade Jewelry

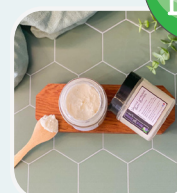

Sustainable gifts and accessories that are ethically handcrafted and under \$20. At Fair Anita, they're challenging norms within the fashion industry and creating supply chains in the most ethical way they can imagine: investing in changemakers and centering artisans throughout every part of the process. They go beyond fair wages, investing in the individuals who breathe life into each of our products. Sustainably made by women. [fairanita.com](http://fairanita.com)

## EAST SHORE SPECIALTY FOODS

### Gourmet Seasoned Pretzels and Mustards

East Shore Specialty Foods was established by Jeri Mesching, in 1986. Her original specialty foods were Sweet & Tangy Mustard and Seasoned Pretzels. The combination is still a simple, yet sophisticated, dipping snack. Their production takes place in a custom designed processing plant in Hartfield, Wisconsin, built in 1995. Their basic standards for cooking prevail. They use only the best ingredients just as they do at home. Their small and dedicated staff, including their two grown children, is committed to offering their buyers the finest specialty foods and best customer service possible. [eastshorefoods.com](http://eastshorefoods.com)

## CRAFTMIX Cocktail Mixes

All natural, delicious, pocket-sized cocktail mixes so you can bring a little party wherever you go! Making your own cocktails from scratch can be a real struggle. And they realized that the cocktail mixers on the market were all extremely unhealthy, inconveniently sized, and tasted terrible. An all-natural cocktail mix that comes in a dry blend. The cocktail mixes have only 25 calories and 5g of sugar per drink. They come in small packets that way you can now enjoy happy hour anywhere! [craftmix.com](http://craftmix.com)

## HAPPY EARTH

### Organic Apparel

Ethically made in a Fair

Trade factory in India with organic cotton that was locally grown, harvested, and dyed with certified non-toxic dyes. Organic cotton uses 91% less water than conventional cotton. Water usage during production is completely recycled.

The factory is powered by solar panels (60-70%) and natural gas instead of diesel. **Organic Cotton:** Grown without pesticides, fertilizers or harmful chemicals and requires 90% less water than conventional cotton. **Vegan:** Only materials that are animal- and cruelty-free. **Carbon Neutral:** All emissions produced during the creation of this garment have been offset. The  
**Glass Orchard**  
Gather. Create. Be.

## Holiday Glass and Gifts

Join us to see a spectacular display of holiday glass art at our orchard.

**November 11 & 12 | 10am-6pm**

Our handcrafted glass snowpeople and trees will be displayed outside our farm store, and over a thousand glass ornaments will be strung in the orchard for you to stroll through and pick your favorites.

## CHEESE BROTHERS

### Cheese and Sausage Gift Boxes

They offer high-quality, natural and really delicious Wisconsin cheeses and treats so you can share in their love of cheese and share it (and a smile) with those you love. They offer classic cheeses and some exciting types and flavors you haven't yet discovered. And they package it up with love from Barron, Wisconsin. They pay it forward regularly by donating cheese and a portion of the proceeds to a variety of non-profit organizations. [cheesebros.com](http://cheesebros.com)

## SUGARHOUSE LEATHER

### Coasters, Key Chains & Ornaments

Small-scale leather studio based in Milwaukee. They specialize in handmade leather coasters made from the thickest and finest harness leather they could find. Each coaster is cut and stamped by American hands in their studio. Their aim is to craft eye-catching leather items that boast a distinctive style falling somewhere between rustic and refined. Made by hand with natural materials, each finished piece becomes unique, with subtle imperfections that make it truly one-of-a-kind. [sugarhouseleather.com](http://sugarhouseleather.com)
